

The Village of Casa Familia

Ribbon Cutting Ceremony

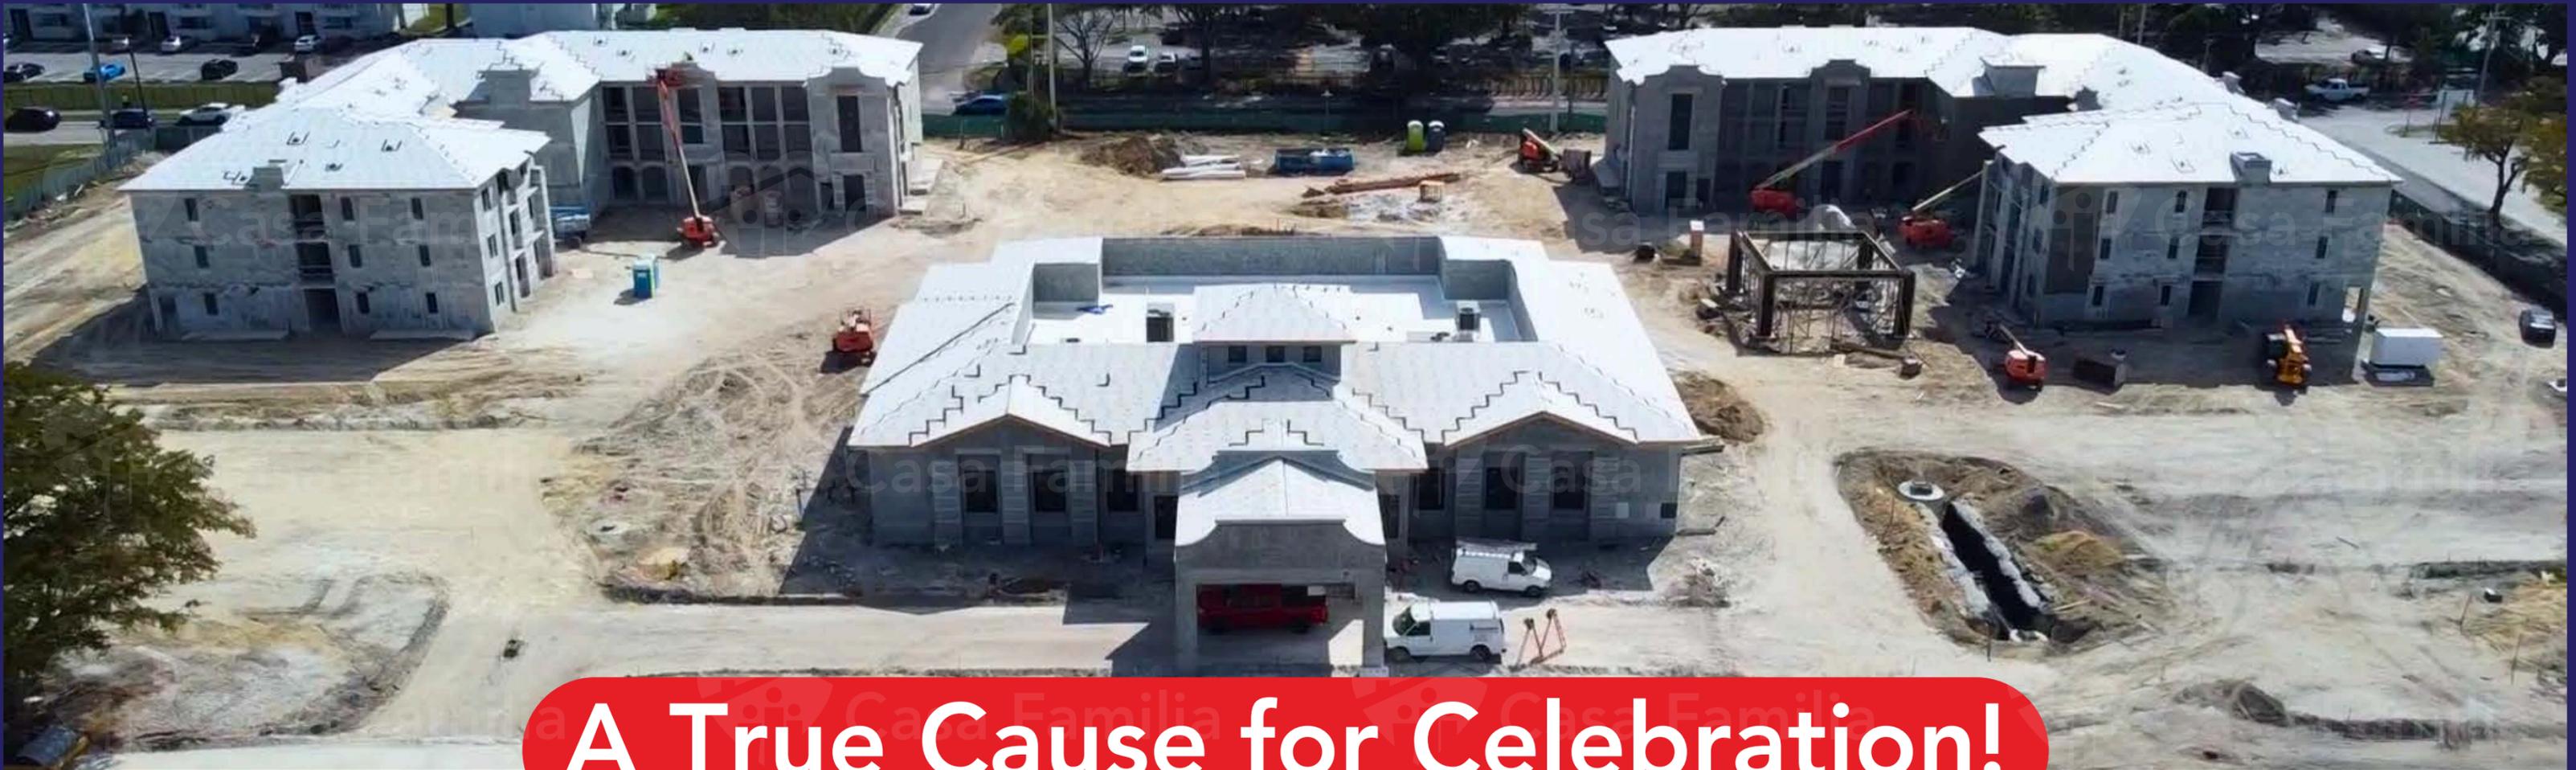

A Momentous Milestone & Celebration!

Casa Familia is thrilled to announce that the Ribbon Cutting Ceremony for Phase 1 - The Village of Casa Familia is slated to take place on **MARCH 18, 2026!**

This extraordinary achievement marks the culmination of tireless effort, benevolent generosity, determined commitment, and unwavering dedication by all our champions; to ensure Miami-Dade County's first affordable housing option specifically designed with features to benefit and support adults with Intellectual, Developmental and Other Related Disabilities.

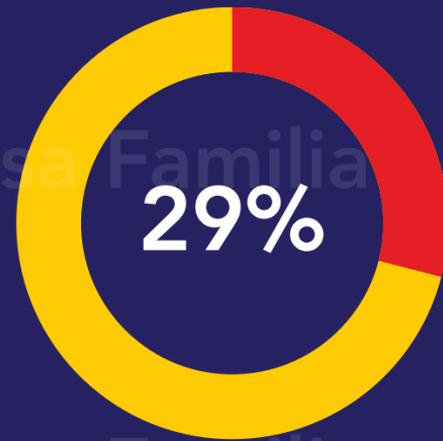

A True Cause for Celebration!

A dream and vision, decades in the making, now a reality.

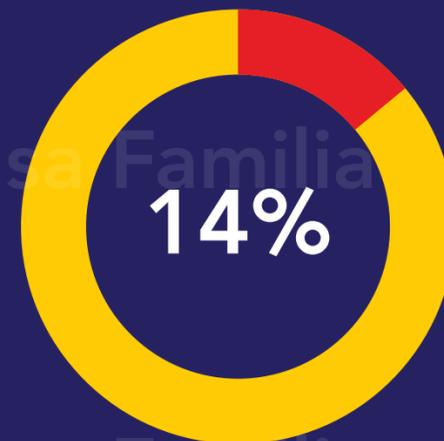

Casa Familia, a 501(c)(3) non-profit organization dedicated to the creation of Exceptional Housing for Exceptional People, has assembled an unprecedented coalition of leadership, across many sectors, to develop affordable housing options where adults with IDD and Other Related Disabilities feel safe, supported and empowered with self-agency; even when family and loved ones are no longer able to assist in their care.

We invite you to celebrate our dream home like no other and consider a Ribbon Cutting Ceremony Sponsorship.

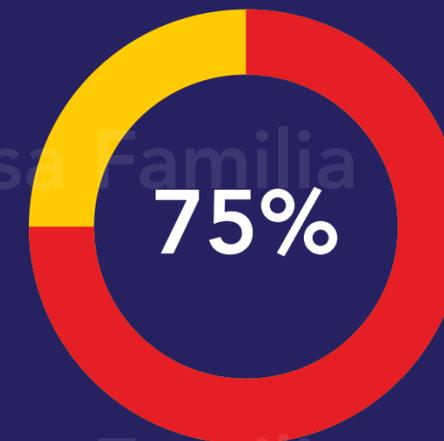

Your sponsorship support ensures Exceptional Housing for Exceptional People remains affordable, sustainable, and replicable; as we continue to build a better future together.

29% of the adult population in the U.S. has a disability.

14% of Florida residents have an Intellectual and Developmental Disability (IDD).

75% of adults with IDD live with a parent or guardian.

One in three adults with IDD live with a family member over the age of 60, and most will outlive their caregiver.

“Where will my loved one live, and who will take care of them when I’m gone, or no longer able to?”

Existing affordable housing options are extremely limited, offer few opportunities for social engagement or personal enrichment, and often do not meet the needs of individuals with IDD and Other Related Disabilities.

In Florida, only **six** communities have been developed, serving less than 1,000 individuals in total, and none are located within Miami-Dade, Broward or Palm Beach; three of the most populous counties in the the State... **until Casa Familia.**

64.5%

The majority of Florida residents aged 18-64 with Cognitive Disabilities also have Self-Care or Independent Living Disabilities.

The majority of Florida residents aged 18–64 with a cognitive disability also have self-care or independent living disabilities, and experience great difficulties around the basic activities that promote an individual’s sense of well-being and self-respect.

These challenges around activities of daily living, create significant demand for housing that is both affordable, and specifically designed with features and supports that benefit adults with IDD and Other Related Disabilities.

Casa Familia seeks to address this issue with a community that fosters dignity, social engagement, self-agency, and the maximum capacity for independence; where residents are safe, supported, and able to thrive.

Phase 1: The Village of Casa Familia

Two three-story buildings with 50 spacious one- and two-bedroom apartments that will provide housing for 60 adults, with features and services designed to benefit and support the independence and self-agency of its residents. Phase 1 will also include the development and completion of the Community Center, which will serve all Phases of this community development.

Phase 2: Residences at Casa Familia

Four 6,000 sq.ft. homes, featuring an integrative design and a holistic approach to layouts, that will provide an assisted living environment for 24 adults with IDD and Other Related Disabilities who require a higher level of care, and ongoing access to 24/7 assistance.

Phase 3: Gardens at Casa Familia

A four-story building with 50 spacious one-bedroom apartments that are outfitted with smart technology to foster the maximum independence and autonomy of residents.

Thank You

The word "Thank You" is written in a bold, yellow, sans-serif font. The letter "o" in "You" is replaced by a stylized icon. The icon consists of a red heart shape with a white outline, containing a yellow house silhouette with a red roof. Inside the house, there are three small white figures representing people.
